---

Draft Updated Notes from phone call. Will finalize tonight when Jhana has more time....

As of 1600 CST: DuPont made level A entry this am, then START, CSB and DuPont made entry. Sump on first floor hot, looking at plan to address. White substance found on 3rd floor, CSB took sample and intends to split sample with EPA.

Funerals start Friday and Saturday. Work schedules being adjusted now.

More this pm.
